A candidate may designate one political committee as his principal campaign committee. A candidate may also designate a more political committees as his subsidiary committees. Further, a principal campaign committee may designate subel committees. Any designated committee must file a Statement of Organization and submit a \$100 filing fee. The use of prin or subsidiary committees is entirely optional. If committees are used, this report must be filed no later than 10 days after designation is made. If a committee is organized to support a single candidate and that candidate refuses to designate committee as his principal or subsidiary committee, he must file a statement, in writing, disavowing the committee.
